RESTAURANT INSURANCE

Below are a few of the areas of coverage that we extend to our restaurants

- ▶ **Property Insurance** can cover the buildings that you own and/or business property and inventory against physical loss or damage. If you don't own your building, you'll still need contents coverage.
- ▶ **Loss of Use or Business Income** coverage will protect your revenue stream in the event of a loss or damage to your establishment.
- ▶ **Liability Insurance** is designed to protect the business against losses even if they are negligent or liable for damage, injury, or loss to another's property, reputation, or health.
- ▶ **Bodily Injury Liability** coverage may pay the affected person or firm for the cost of care, the loss of services, and restitution for death that results from an injury.
- ▶ **Property Damage** in the event your business causes damage to, or causes the loss of use of someone else's property, property damage coverage may pay for the value of the physical damage to the property, or the loss of use of that property.

(Other policies that a restaurant may procure are: Products and Completed Operations, Liquor Liability, Hired Auto and Non-Owned Auto, Medical Payments, Personal Injury and Advertising Injury.)
