

In the construction industry, having the best workers' comp insurance coverage is not only convenient, it's a necessity. Avant Insurance Managers protects your company's interests with cost-effective coverage and aggressive claim management that gives your employees the assurance they need to be more productive. Always remember, workers' comp protects your employees who are a business's greatest asset.

The objective of workers' comp insurance is to provide medical, rehabilitative, and other benefits to your injured or disabled workers as a result of a job-related illness or accident. Whether you're in the horizontal or vertical end of construction, you have unique needs when it comes to workers' comp coverage. We work closely with you to design the right program and continue a relationship, so if claims arise the employee is protected, but not over-compensated.

With over twenty years of experience in the construction risk management, Avant has a unique perspective of our clients' specific needs. By offering the correct coverage for your business and at an affordable price, we present our clients with a convenient and practical solution utilizing the insurance market that's right in your state(s) of operation. In addition to the markets that underwrite in a traditional manner, we can present solutions such as Self Insured Groups or stand-alone Controlled Insurance Programs.

WORKERS COMP INSURANCE

“The protection of your employees through a comprehensive Workers’ Compensation Insurance Program is an extension of your investment in the infrastructure of your business.” - Jeff Post, CEO

As a risk management specialist, Avant Insurance Managers partners with our clients in identifying their particular needs and works to create a policy that meets our clients' needs, rather than have our clients work around a policy. Our clients have access to our risk management teams to identify non-mainstream exposures that may exist.

By offering clients the most complete and cost-effective solutions, our goal is to establish long-term relationships that will carry on year after year. Avant's responsiveness, accountability, and commitment are the foundation of the Avant Insurance Managements' family. ***Let the professionals at Avant work closely with you to design the right program to fit your needs!***
